became an doll
for Dio

It's all because my dad
was implanted Dio's
cells 10 years ago!

I swore when I
was a child
no matter what...

I will kill him
somehow,
so I have to have
this bow and
arrow.

For my father to die
like a normal human
being.....

cure?
heh heh....

Can you?

To try to
cure his
sickness?

So, You are
looking for
Stand user...

My dad can never die
I tried to blow his head
off and his body to
pieces, he always
regenerates.

I am looking for the
one stand user that
can kill him....

not at all....

虹村兄弟

之其⑨

We were living in Tokyo,
The world was experience
economic down time, our
mother died from sickness
2 years earlier, the company
our father worked at loaned
a lot of money from the
bank because they are
facing bankrupt...
our family was poor and
in very bad condition

I was only 8
Okuyasu was
only 5

sometimes
even gems
and bullions

of course, our
family is no
longer in
destitute.

but from a
moment on, he's
been getting mail
containing lots of
cash.

Father can be
called the
unluckiest loser!

We usually
get beaten
for nothing

10 years ago
the year 1989

that Dio
Jotaro
mentioned?

Dio?

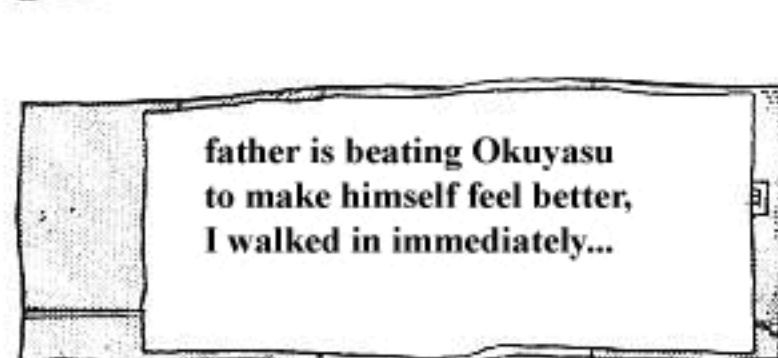

Saw
Okuyasu
crying

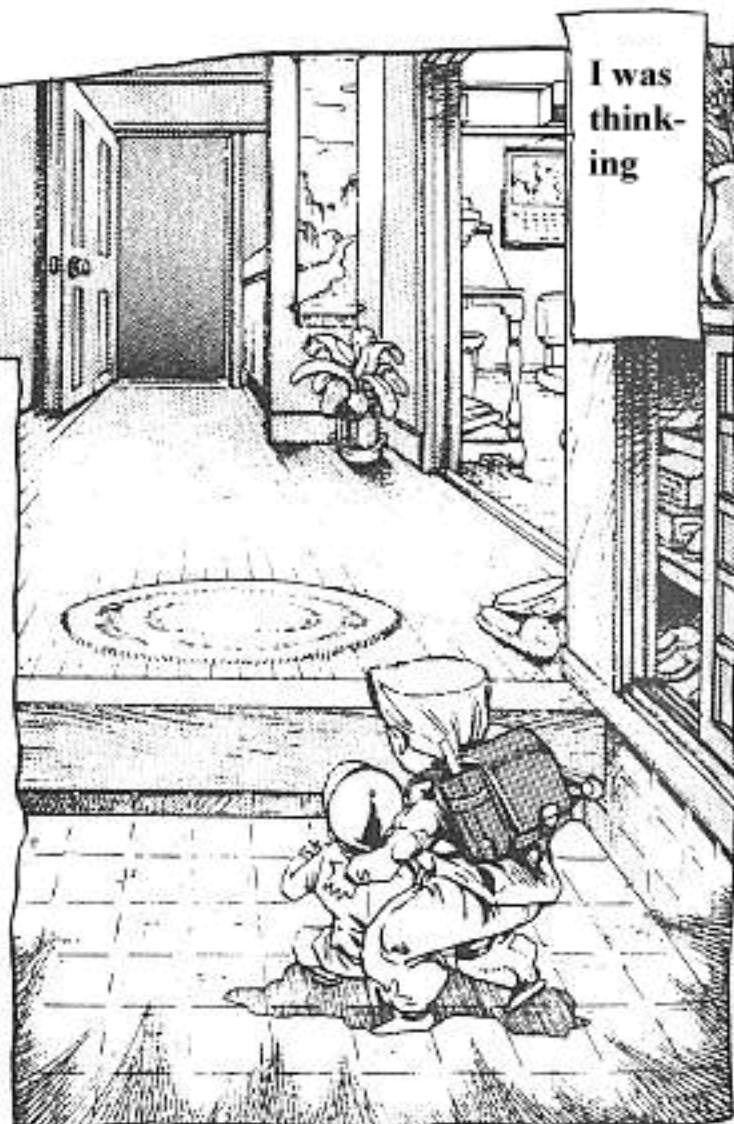

I just came
home from
school

father is beating Okuyasu
to make himself feel better,
I walked in immediately...

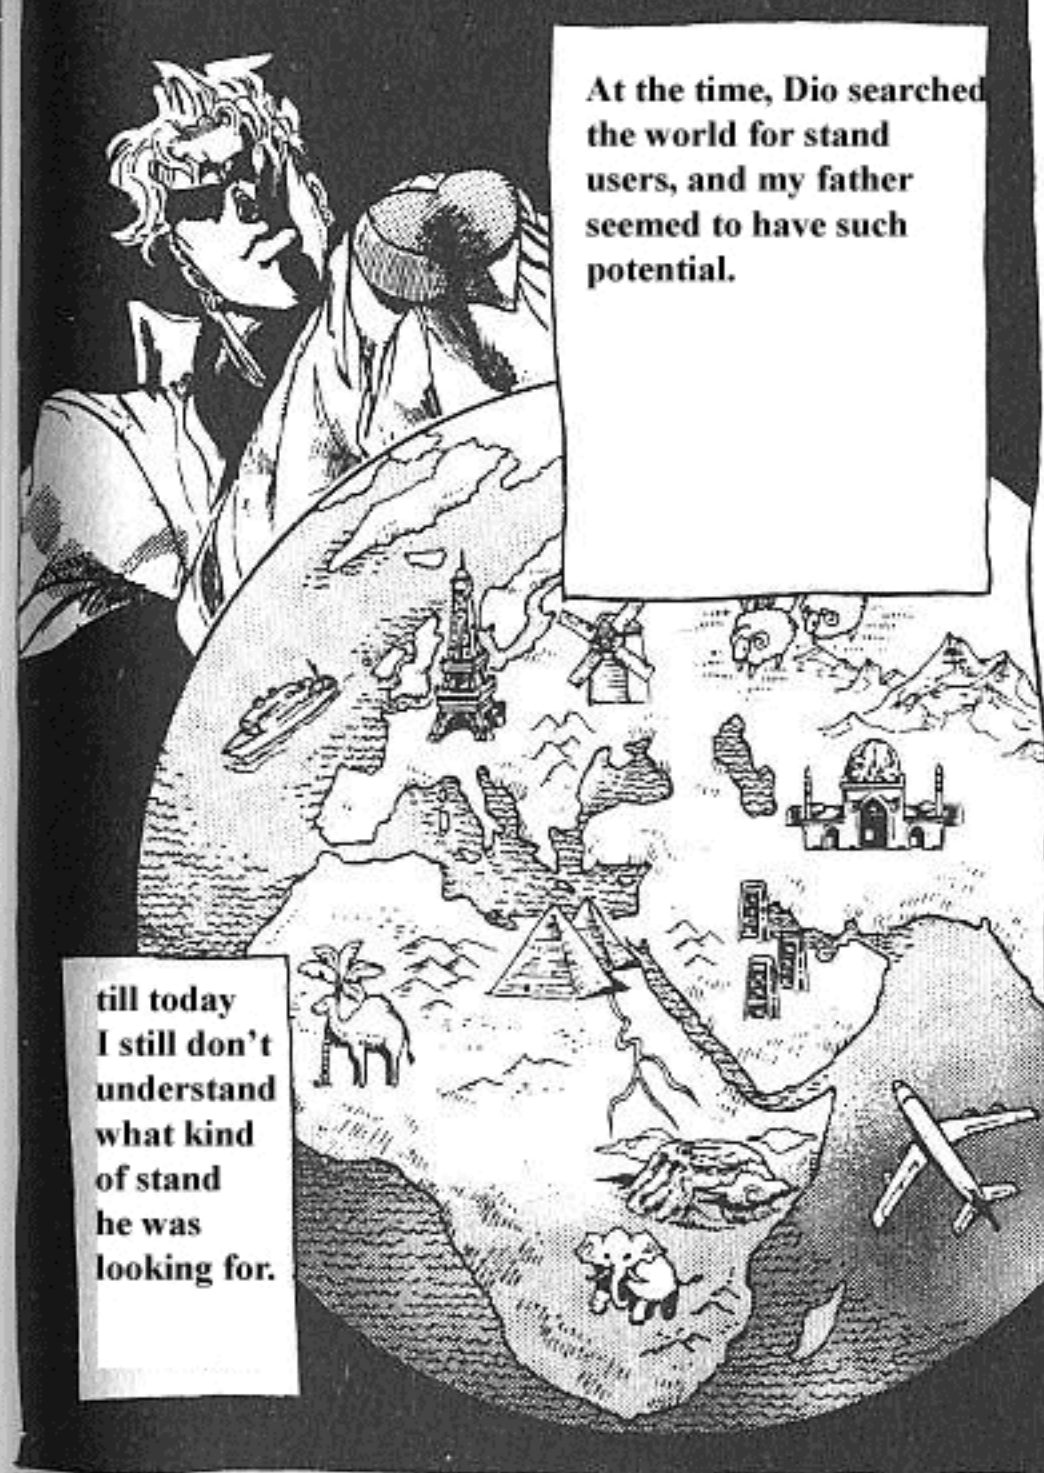

I was think-
ing

It wasn't like
that at all.....

At the time, Dio searched
the world for stand
users, and my father
seemed to have such
potential.

till today
I still don't
understand
what kind
of stand
he was
looking for.

Father sold
his heart
to Dio

not till
later,
I found out

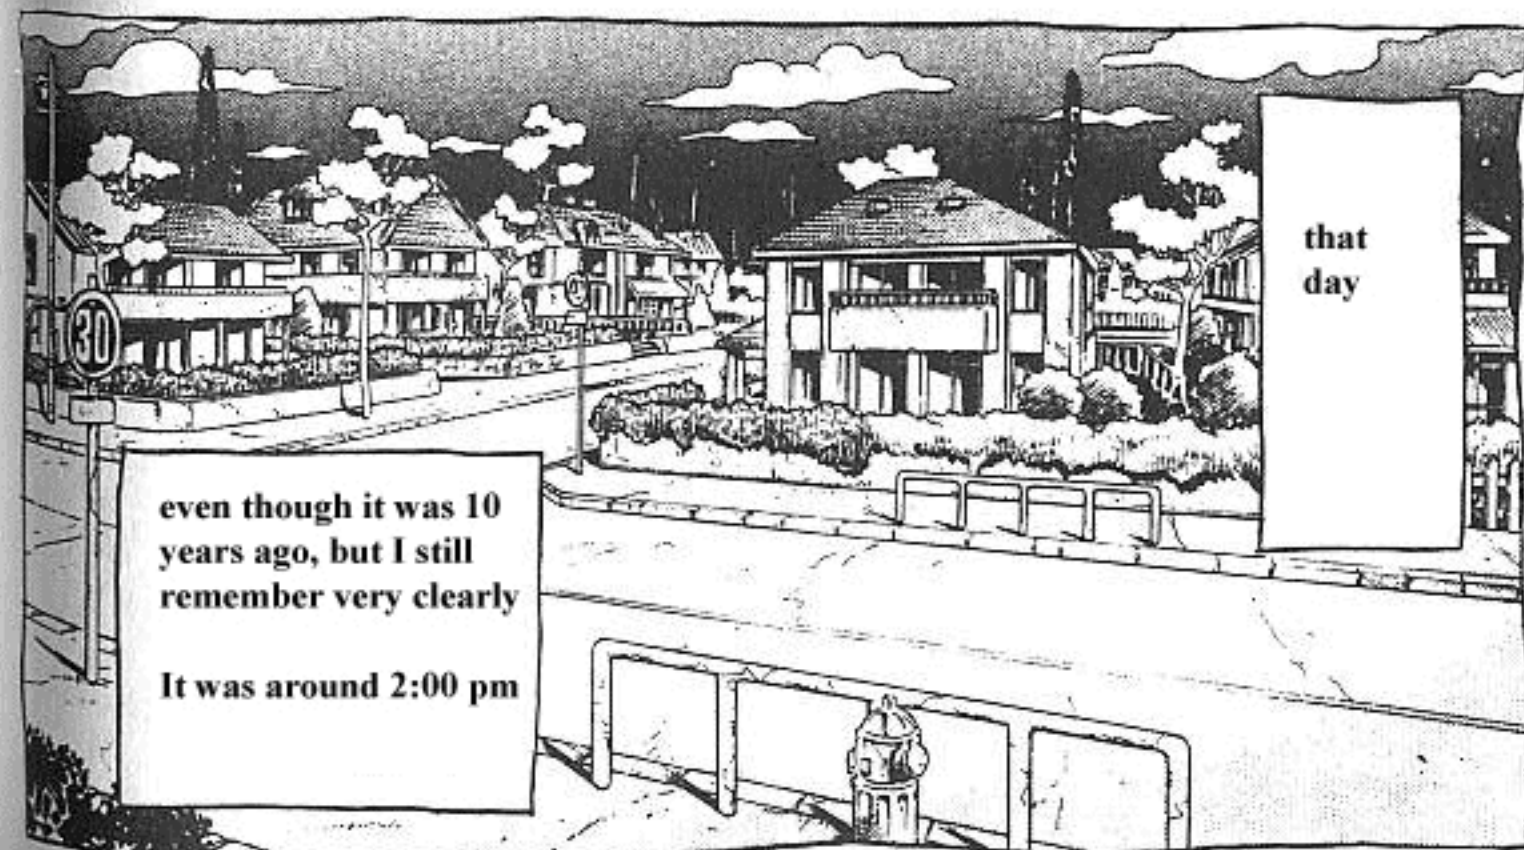

for money
even sold
out his
own soul...

that
day

even though it was 10
years ago, but I still
remember very clearly

It was around 2:00 pm

I took me 10 years to find out about Stands, Jotaro, Dio, the old lady with bow and arrow, and finally I got this bow and arrow.

Dio, when he doesn't truse someone, he will inplant his cell into that person's head, my father got inplanted...

after the 1st year he can't recognize us at all, he because a pile of stinking meat!

because the undead cells from Dio had already grown into his own body cells.

When I found out about the truth I know my father can't recover

his face and head distorted, like fried in boiling oil.

I saw dad cramed into a ball at a corner of the kitchen

I said, call the ambulence!

Father says, No, It's no use, Dio must be dead, his organism grew like crazy!

啖 啖

**I TOLD YOU
NOT TO MAKE
A MESS,
YOU DEAF??**

155

**TOLD YOU TO
LISTEN, MEANS
YOU HAVE TO
DO WHAT I
TELL YOU!**

everytime I see him, I feel furious for no reason, I feel angry just from his mere existence!

**Doing this
everyday,
repetitive, for over
10 years**

he always take
everything stuff out
of the box, mess
them up, and cry
for a few days

Because his is my father,
I feel more worse for him
I just want to give him a
normal, peaceful death!

I hate
him!!

he sold his soul to
Dio, He did it to
himself!!

right, he is my
father, blood
relationship

But this
thing is not
my father
anymore!

only after I killed
him, MY LIFE
STARTS FROM
BEGINNING!

WAIT!

NEVER
WILL!!

I TELL YOU
I WON'T GIVE
YOU THE BOW
AND ARROW!!

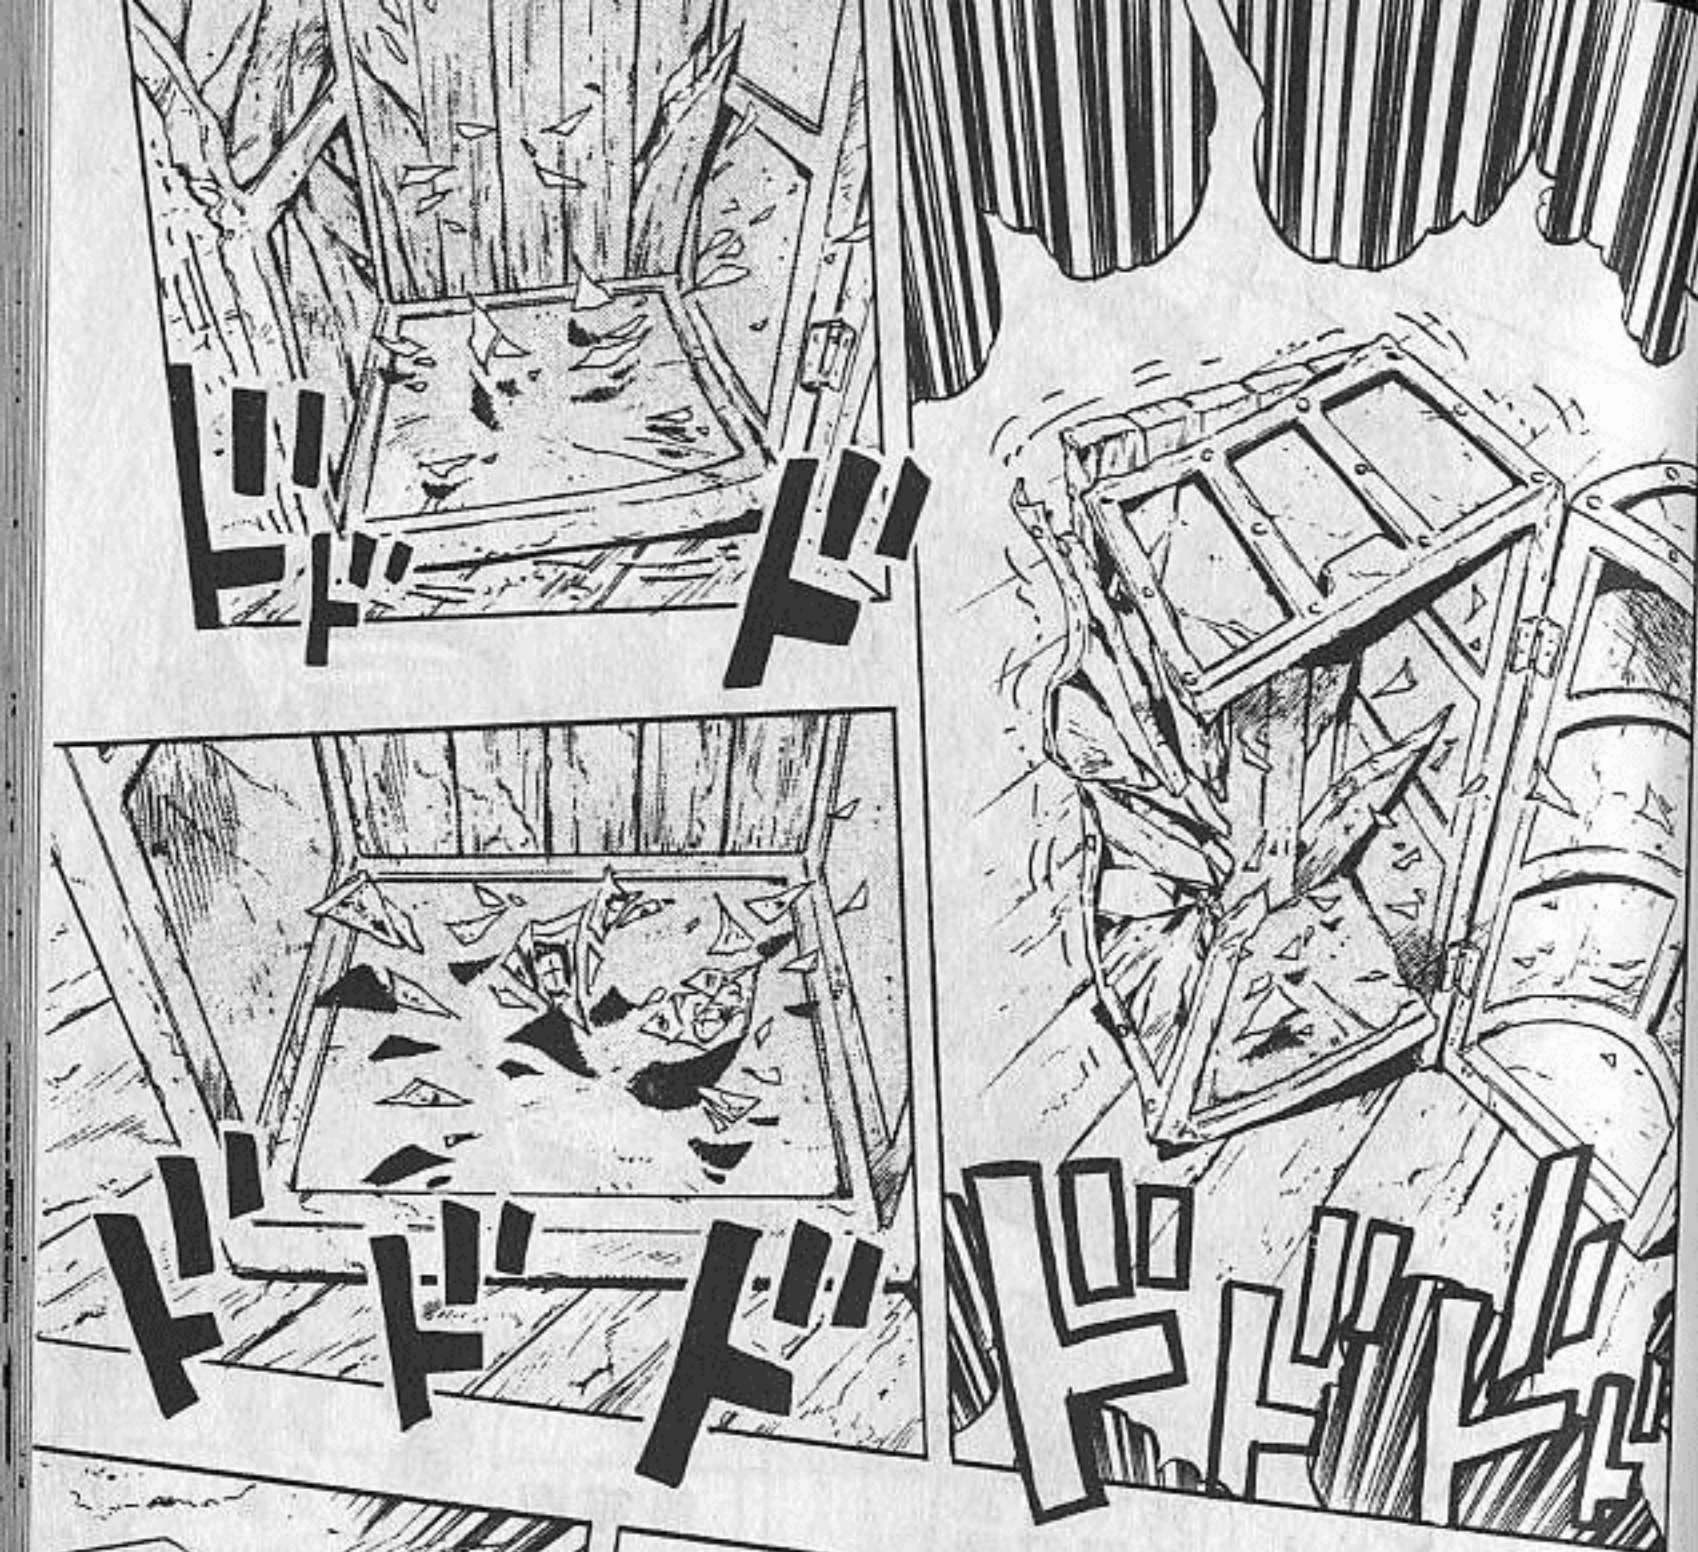

159

Damn! TOLD
YOU TO STOP.
DO YOU HEAR
ME?!

158

I mean

understood
